March 2009

Welcome to the inaugural issue of "Q2 Member Happenings" - the e-newsletter *by* members, *for* members! Every month, Quincy 2000 Collaborative members will share news, upcoming events, specials that they are promoting and other interesting items that they'd like to pass along. It is one way for members to stay connected with each other and learn about each other's business.

If you have news that you'd like to share, email your information to donna@quincy2000.org. Q2 Member Happenings will be published the first day of each month. The deadline for submission is 7 days beforehand.

We hope you enjoy Q2 Member Happenings and that members continue to support each other!
